Thai Girlfriend Visa – Embassy & Visa Application Centers Guide (2026)

This resource guide provides an overview of embassies, consulates, and major visa application centers commonly used when applying for partner, fiancé, or spouse visas. Always verify updated requirements directly with the official embassy website.

United Kingdom

- UK Visa Applications are processed through TLScontact centers in Thailand.
- Main submission city: Bangkok.
- Official UK Government Visa Website: gov.uk
- Supporting documents and biometric appointment required.

United States

- Immigrant and fiancé visas handled by the U.S. Embassy in Bangkok.
- Non-immigrant visas require DS-160 application form.
- Medical exam required at authorized clinics.
- Interview appointment mandatory.

Australia

- Partner visas processed online via ImmiAccount.
- Biometrics collected through VFS Global centers.
- Proof of relationship evidence required.
- Processing times can vary significantly.

Canada

- Spousal sponsorship handled via IRCC online portal.
- Biometrics through Visa Application Centres (VAC).
- Medical exam required from approved panel physician.
- Financial sponsorship documents required.

Schengen Countries (EU)

- Short-term visas often handled by BLS or VFS centers.
- Long-term spouse visas processed through respective embassies.

- Travel insurance mandatory for short stay visas.
- Marriage registration may need legalization.

Important: Visa rules and procedures change frequently. Always confirm with the official embassy or visa center before submitting any application.
